

Sumter Christian School
2010-2011 Athletic Agreement Form

I Corinthians 10:31 – Whether therefore ye eat or drink or whatsoever ye do, do all to the glory of God.

I understand that the purpose of the athletic program of *Sumter Christian School* is to bring glory and honor to the Lord Jesus Christ. I understand that, as a parent or athlete in this program, it is my responsibility to conduct myself in such a way that I will do everything possible to further that purpose and will do nothing to hinder that purpose. With this in mind, I pledge the following:

ATHLETES

- I will conduct myself with Christian conduct and sportsmanship at all times.
- I will be obedient and loyal to my coaches.
- I will attend all practices and games unless I am ill and/or have the permission of my coach to miss.
- I will faithfully attend my church and be consistent in my walk with God.
- I will be obedient to the school policies and will maintain a positive attitude.
- I will not complain about the amount of playing time I get.
- I will choose to avoid activities, entertainment, etc. that could be perceived by other believers as harmful to a Christian testimony and will defer to the other believer whose conscience would be wounded by the exercise of my Christian liberty. (I Corinthians 8:9, 12; Galatians 5:13)
- I will return the entire uniform (properly cleaned and in similar condition as when I received it) within 3 school days after the last game of the season.

PARENTS

- I will be supportive of the entire athletic program of the school.
- I will conduct myself with Christian conduct and sportsmanship when attending games.
- I will not undermine any coaches' leadership of the team.
- If I have an issue with my child's coach, I will deal with it Biblically in a private setting.
- I will not be disrespectful in my treatment of fans from the opposing teams or officials.
- I will encourage any guests attending games with me to conduct themselves in a proper manner.
- I understand that improper behavior at games could result in my being asked to leave the game and could result in a suspension of my privileges to attend games.
- I understand that if my child's uniform is not returned within the stated time above, my account will be charged \$2.00 per day for each day any part of the uniform is late. I also understand that if the uniform is lost or damaged beyond regular wear, I will be responsible for replacement costs.

All athletes and parents must sign this form before an athlete can receive a uniform.
