

July 29, 2010

Dear Parents,

We are looking forward to the camp trip to The Anchorage for the high school. Below you will find a list of things that students should bring, a list of optional items they may want to bring, and a list of items they are not to bring.

Remember that cell phones may be taken on the bus trip to camp, but they will be collected upon arrival at camp and redistributed after everyone is back on the bus to return to school.

Also, everyone needs to bring enough money so that they will have approximately \$7.00 for lunch on the way back to school on Wednesday.

Things to bring:

Bible
Bedding for a single bed
Pillow
Towels
Toiletries and other personal bath items
Flashlight
Spending money

Optional things to bring:

Roller skates or indoor blades
Fishing pole
Camera
Notebook

Things not to bring:

Radios, CD or MP3 players, iPods, video games, weapons, playing cards, magazines, tobacco products, alcohol, pagers, or computers.

If you have any questions about an item, please call us here at the office.

In His Service,

Jon Broughton
Principal
