

Dear Parent:

FACTS Grant & Aid Assessment will be conducting the financial need analysis for Sumter Christian School for the 2012-2013 school year. This will be the second year that they have provided this service for us. If you would like more information about the company, feel free to visit their website at www.factsmgt.com. FACTS works with nearly 3,000 educational institutions and over 100,000 families each year with their financial aid process. They have been in business since 1986 and specialize in working with schools like ours.

Families applying for financial aid will need to complete an application online and submit the necessary supporting documentation to FACTS by June 30, 2012. Earlier applicants receive first consideration. Applicants can apply online at www.factstuitionaid.com. The cost to apply is \$25. FACTS does not provide the scholarship money. That is provided by donors to our school, but FACTS evaluates the need and sends that information to the Finance Committee at Sumter Christian School. They will determine the amount of tuition assistance based on the information received from FACTS and funds available. Only students in grades kindergarten through twelfth grade are eligible.

Once an online application has been completed, the following information is required in order for FACTS to process your application:

- Copies of your most recent Federal tax return including all supporting tax schedules.
- Copies of your 2010 W-2 forms for both you and your spouse.
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.

All supporting documentation can be faxed to 1-866-315-9264 or mailed to the address below:

FACTS Grant & Aid Assessment
P.O. Box 82524
Lincoln, NE 68501-2524

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 1-866-315-9262.

Sincerely,

Ron Davis
Pastor, Sumter Bible Church
Administrator, Sumter Christian School
