

WELCOME

Dear Parents and Students,

We welcome you to Sumter Christian School. Our school began in 1974 and was founded by the members of Sumter Bible Church, which provides all the buildings for the school. The church operates the school through a School Committee that meets monthly. The School Committee consists of faithful members of Sumter Bible Church and is responsible for setting all policy for school functions. The administrator reports all activity of the School Committee to the Official Board of Elders and Deacons of Sumter Bible Church, which also meets monthly. This Board must approve all policy set by the Committee before any additions or changes made by the School Committee become effective. The administrator implements these policies in the daily operation of Sumter Christian School.

This handbook is not intended to be all-inclusive of our school's policies and practices, but it is designed to be a help to you. Please feel free to consult us about any questions you may have.

Ron Davis
Administrator

PURPOSE

The purpose of Sumter Christian School is in accordance with Colossians 1:28 ("teaching... that we may present every man perfect in Christ Jesus"). This purpose is consistent with the edification mandate God gave the church and the home, and thereby provides the "reason for being" for the Christian School. This institution proposes to educate the whole child for Christ and insists that every phase of the program contribute to attaining that goal. Physical education and interscholastic athletics develop the student's physical dimension; banquets, etc., refine his social graces; Bible classes, chapel, and, in a practical sense, every activity, address his spiritual needs; an outstanding faculty and a carefully constructed curriculum work in concert to provide superior academic training. This, we believe, accurately reflects the total growth of the Lord Jesus (Luke 2:52) and is the genius and essence of truly Christian education.

Attending Sumter Christian School is an honor and a privilege, one which may be forfeited by any student who does not abide by its standards and regulations. SCS may request the withdrawal of any student who, in the judgment of the administration, does not meld into the spirit of the school, regardless of whether or not he conforms to its specific rules and regulations. While we recognize our responsibility to help each student realize his God-given potential, our purpose is not to rehabilitate children but to train Christian youth to serve Christ.

ACCREDITATION AND AFFILIATIONS

Sumter Christian School is a member of the South Carolina Association of Christian Schools (SCACS). Our teachers are certified by SCACS, and our school is accredited by that organization. The school is also a member of the American Association of Christian Schools (AACCS). Sumter Bible Church is a non-denominational church, but its teachings and practices are similar to independent Baptist churches.

ADMISSIONS

On February 1, spaces for the following year are made available to currently enrolled students. A matriculation fee is required for each child in the family. On March 1, all remaining spaces are made available to the public. The admissions procedure for new students includes the following parental responsibilities:

1. Submit an application, signing the agreement pledge on the back page;
2. Arrange testing for grade placement for grades 1-12 (preschool and kindergarten students are placed according to age); acceptable achievement and ability scores must be attained;
3. Provide transcripts, birth certificate, and a South Carolina Certificate of Immunization;
4. Pay the matriculation and registration entrance fees (non-refundable and non-transferable).
5. Attend a student-parent-principal interview (grades 7-12 only);
6. Provide a letter of recommendation from the applicant's pastor, a letter of recommendation from a current or former teacher, and a brief, written testimony of the applicant's salvation experience written by the applicant (grades 7-12 only);

It is understood that attendance at Sumter Christian School is a privilege and not a right. Any student who does not conform to the rules and standards of the school may forfeit this privilege. SCS may request the withdrawal of students who, in the opinion of the administration, do not fit into the spirit of the institution, regardless of whether or not they conform to specific rules and regulations. SCS does not admit students who have been expelled from other schools.

ATHLETICS

Students must be in grades 7-12 in order to participate in the interscholastic sports program. For the eligibility period preceding the season, they must have maintained an overall average of at least 77 for all academic courses taken, must have passed all core academic courses, and must not have received 50 demerits during the eligibility period. Receiving 50 demerits during the season results in dismissal from the team. Please refer to the *Handbook for Christian Athletes* for a full explanation of our athletics program.

ATHLETIC GUIDELINES FOR PARENTS (AND OTHER SPECTATORS)

1. The team that you are playing is not your enemy. Those teams have children who belong to parents just like you. They love their kids just as much as you love yours. If you criticize a player by name or number, the Lord has probably arranged to have you sit right beside his parents.
2. Ball games are games, not brain surgery. Win or lose, the sun will probably come up tomorrow, and, in the grand scheme of things, the score will matter very little. What does matter is that the children played their best game, they improved their skill levels, and they had a good time. Hopefully, they are also learning self-control and the value of teamwork, patience, and endurance.
3. Referees seldom change a call, even a bad one. Referees at all levels of play (high school, college, or professional) do at times make bad calls. It will do you absolutely no good to scream or yell at the officials. In fact, it will probably ensure that your team is watched very carefully to make sure that the official does not “miss” something else. When you persist in berating the officials, you can be sure that your young impressionable children who never pay any attention to anything else you say are listening to every insult that you hurl toward the court or field. The next time you hear it, it will be out of their mouths and directed toward you.
4. True fans are the people who support your team by yelling positive words of encouragement to your players. Imitation fans are the people who think they support your team by yelling insults at the officials and players from the opposing team. Imitation fans yell and scream when the opposing team shoots foul shots. Imitation fans make unnatural sounds to confuse their opponents. There are generally not enough true fans at the games. There are always plenty of imitation fans.
5. The best-prepared team generally wins. There is no substitute for fundamental skills, careful execution, and positive attitude. There is no shame in losing to a better team. Your team will improve by playing better teams, even if they lose to them. If your team has played up to its potential, congratulate them. They did well. Be a fan. (See Rule # 4)
6. Don't excuse bad behavior from your players. It will ensure more of the same. Once you condone it, you will confront it everywhere — at home, in the classroom, etc.
7. Good teams run in cycles. Very few schools field championship-caliber teams in every sport every year. If your team is having a good run, enjoy it but don't gloat. The day is coming when you'll be rebuilding, too.
8. In every championship, there is only one winner's trophy. All of the other schools go home after losing the last game of their season. That doesn't make them losers. (See #2 and #5.)
9. Treat every competitor with respect.
10. View every adversity as a learning opportunity. Thank God for it. It's how we grow and mature in the faith. Understand that the school that so offends your delicate sensibilities is probably offending some of its own teachers and maybe even its administration. The fact that the kids misbehaved in some way does not necessarily imply that the school approves of the misbehavior. We are, after all, schools. We are in the training business. If the kids were already perfect, they wouldn't need us.
11. Enjoy the game! The years pass by all too quickly, and then this phase of life is over. Don't miss one good minute of it.

ATTENDANCE

A student must be present for 170 of the 180 regularly scheduled school days to receive credit for the year's work (85 of 90 days for one-semester high school courses). Excused absences are granted for illness (with doctor's excuse), medical appointments, death in the immediate family, and bona fide religious activities approved in advance. Four tardies in a nine-weeks' grading period result in a one-day suspension. Work may be made up. Parents have the option of choosing a \$20 fine in lieu of a suspension for tardies if they prefer. High school students are counted absent or present for each class, not for the day. High school students receive demerits for being late to classes after first period. Demerits are increased for excessive tardiness. The number of demerits is determined by the number of minutes late. Students who leave school early must have a parent or guardian sign them out in the office. Students who drive must receive permission from the administration before they sign out to leave early. High school students must bring written excuses from a parent or guardian for each class missed upon return to school, or they are issued demerits.

ATTITUDE

Griping and bitterness are tools of destruction and are not tolerated. Constructive suggestions are appreciated and should be made to a teacher or the administrator.

BAND

Students in grades 4-12 may participate in the band program. Beginning band is for students in the fourth grade and requires no previous music lessons or classes. Students in grades 5-12 must qualify for the appropriate band and are placed according to ability (or as schedule allows in some cases). Please see the *Band Handbook* for a complete description of the band program and policies.

BOOKS

An annual book fee is charged to cover the expenses of all workbooks the students use and keep when the school year has ended. Included in this fee is also a small amount that allows us to update the textbooks periodically and offer the most current curriculum possible. Students are required to keep book covers on all textbooks and are charged for lost or damaged books beyond the normal wear and tear.

BUS SERVICE

The school does not operate a transportation service. Many students travel in carpools. Some parents choose to utilize the commercial RTA service.

CONDUCT GRADES

Progress Reports, which are unofficial grade reports issued halfway through each grading period, include conduct grades, which are explained on the respective reports. Teachers will often contact parents regarding unacceptable student conduct. If parents do not understand a conduct grade, they should call the office and make an appointment with the teacher to discuss it.

DAY CARE

The Day Care ministry of Sumter Bible Church is provided as a convenience to the parents of SCS students and is administered by the staff of Sumter Christian School.

Early Arrival - Required for all students who arrive before 7:45 a.m. Students may report directly to the classroom after 7:45.

Late Stay - Available for preschool students who do not leave at noon and for students in kindergarten through twelfth grade who do not leave at 3:10. A time for doing homework is set aside for those in grades 4 through 12, except on Fridays.

Summer - Available for students from K3 - 6th grade. A full program of activities is scheduled, built on a day camp format. Several field trips are planned. Snacks are served in the morning and afternoon. (Parents may pack snacks or purchase them from the school.) Girls may wear slacks, culottes, or shorts of modest length and fit; halter-tops are not acceptable. Boys may wear jeans, slacks, or shorts of modest length and fit; tank tops are not acceptable. All children must wear shoes and socks, even with sandals, in order to protect their feet on the playground.

Hours - The Day Care is open from 6:30 a.m. until 6:00 p.m. Monday through Friday during school days and 6:45 a.m. until 6:00 p.m. during the summer and school holidays. Parents who fail to pick up their children by closing time are charged \$5.00 per quarter hour or portion thereof, so that we may compensate the worker overtime for staying late.

Closings - The Day Care operates year round, closing only on New Year's Eve, New Year's Day, MLK Birthday, President's Day, Good Friday, Memorial Day, July 4, Open House, Labor Day, Thanksgiving (Wednesday, Thursday and Friday), Christmas Eve, and Christmas Day. Variations from this schedule are announced well in advance in the monthly calendar mailed to all parents and posted on our website. Weather closings are announced over WIBZ-FM (81.9), WMHK-FM (89.7), TV Channel 10, www.wistv.com, and our website (www.sumterchristian.org).

Charges - Charges are calculated by multiplying hours of care provided by a flat hourly rate and are computed on a quarter-hour basis. Some parents prefer to pay weekly; a total of weekly charges is available the following Tuesday. Other accounts receive statements after the end of the month. If the account becomes 30 days in arrears, use of Day Care service is forfeited.

Dress - On school days the dress code outlined in this Parent-Student Guide applies. Dress for summer Day Care is noted above.

Lunches - Children may bring money for hot sandwiches, snacks, and drinks; or they may bring their own lunches. Preschool and kindergarten students need to bring a snack for the morning; if they stay past 12:00, they need to have lunch. Students who stay past 3:30 need an afternoon snack.

Naps - K3 and K4 students nap from 12:30 until 2:15. A cot is provided for them.

DISCIPLINE AND CONDUCT

Discipline in the Christian school is often misunderstood. Christian schools are often accused of being “too strict,” of not showing love, or of not being compassionate. Consider what the Scripture says: “Blessed is the man whom thou chasteneth...” (Psalm 94:12). Discipline, when faithfully and lovingly administered, will produce several desirable results. One result is that of building respect for authority figures (Hebrews 12:9). Another result is that of producing Christlikeness (Hebrews 12:10,11). The believer is challenged in I Peter 4:1 and Philippians 2:5 to have the mind of the Lord Jesus Christ. The mind of Christ, or the thinking of Christ, was that of denying Himself to obey the Father and serve others. When a believer denies himself to follow established guidelines and maintains a positive faith attitude, that individual is moving in a direction toward Christlikeness. Discipline with those objectives should be a joint effort of parents, students, teachers, and administration.

Discipline through the fifth grade includes verbal reprimands, seating changes, loss of privileges, writing sentences, calls to parents, corporal punishment, suspension, and in extreme cases, expulsion. Discipline in Sumter Christian School is directed against rebellion and disobedience, not childishness or forgetfulness. Parents are sent official notice prior to their child being paddled. This gives the parent opportunity to respond by note, phone call, or visit. Official notice is also sent home with the child on the day the child is paddled.

In grades six through twelve, discipline is administered by means of the Demerit System, which is explained below and in detail the first day of school.

Demerit System

The Demerit System is a major tool for teaching discipline in grades 6-12. Its purpose is to provide objective, pre-determined punishments for both major and minor offenses. It also measures student conduct for eligibility in inter-scholastic athletics and in the Honor Society. A letter is sent home to parents each time a student accumulates 10 demerits, since Detention Hall is required for each 10 demerits received. If a student accumulates 50 demerits, he will receive a one-day Saturday in-school suspension from 8:00 a.m. until noon and pay a \$25 fee. If a student accumulates 100 demerits, the student will attend one Saturday in-school suspension from 8:00 a.m. until noon and pay a \$50 fee. Students who attend Saturday sessions will be assigned work projects to do. Demerits become part of the permanent records at the end of the year and appear on transcripts. Three suspensions in a school year result in expulsion. Accumulating 150 demerits in the year, regardless of the number of suspensions, also results in expulsion. A student who has been expelled from Sumter Christian School is not eligible for readmission without approval of the School Committee. Parents may appeal in writing to the School Committee.

Merit points may be issued by teachers when they observe students demonstrating behavior that is exemplary. Merit points reduce the number of demerits that a student has received. Demerit totals that exceed 50, 100, or 150 cannot be reduced below those levels.

Minor offenses

Any teacher or staff member may issue demerits for minor offenses. Teachers may increase the number of demerits for a given offense if the violation is repeated.

Talking: 1	Irreverent slang: 5 or more
Disrupting class: 1	Displaying negative attitude: 5
Uncovered book: 1	Using rock emblems, lyrics, etc.: 5 or more
Late to class: 1	Running in buildings: 5 or more
Littering: 1	Possession of radios, tape players, etc.: 5
Dress code violation: 5 or more	Disobedience: 10
No written excuse for absence: 2	Chewing gum: 10
Eating or drinking in hall or class: 2	Griping: 10
Disorderly conduct: 2 or more	Leaving room without permission: 10
	Use of cell phone without authorization: 5 or more

Major offenses

While minor offenses are institutional in nature, major offenses transgress Bible standards. Only the principal and the high school supervisor may issue demerits for major offenses; of course, teachers may make such a recommendation if they observe student behavior of which the principal and supervisor are not aware. Students must get a parent to sign demerits for major offenses and are not readmitted to school without the signed slip.

Abusing property: 25 or more + repair	Profanity: 50 or more + apology
Cheating: 25 or more + 0 for the work	Possession of knives, etc.: 75 or more
Cutting class: 25 per class	Smoking: 75 or more
Disrespect or defiance: 25 or more + apology	Stealing/vandalism: 75 or more + apology + restitution
Fighting: 25 or more	Drinking: 150 (non-alcoholic look-a-likes included)
Lewd or immoral activity: 25 or more	Possession of firearms: 150
Physical contact: 25 or more	Drug use or possession: 150
Discussion of inappropriate topics: 25 or more	Fornication: 150
Lying: 25 or more + apology	
Harassment of other students: 25	
Careless driving in parking lots: 25 or more	

Because of the moral nature of major offenses, demerits may be issued if the infraction occurs off campus, on the weekends, or during the summer. The school does not intend to set standards for student behavior on these occasions, but it does intend to maintain high standards regarding the kind of person who is invited to make up the student body. Other offenses than those listed may be punished by demerits, suspension, or dismissal.

Detention Hall

Detention Hall is for students in grades 6-12 and will be staffed by a high school teacher. Students are required to stay for Detention Hall after each accumulation of 10 demerits. At 50 and 100 demerits, the detention is in addition to the suspension.

Detention Hall is normally held each Wednesday from 3:15-4:30. Students assigned to Detention Hall must stay for the entire time. Early dismissals are not allowed. Detention Hall may be assigned on other days and times as deemed necessary by the administration. Athletes will miss practices or games.

There will be no talking allowed. Students are to remain seated and are not permitted to leave the room (except for emergencies allowed by the teacher in charge). Food and drinks are not allowed. Students will be required to accomplish written assignments. They may do homework after the writing assignment is completed, but they may not leave early.

A list will be posted each Wednesday indicating which students are to stay for Detention Hall the next Wednesday. Any student who fails to show up for detention will receive 25 demerits, the same for cutting a class. A student who is absent on the day of detention will be required to attend the following Wednesday. Any student who is tardy to Detention Hall will receive two demerits for each minute late, up to ten minutes. More than ten minutes late constitutes an absence. Demerits issued during Detention Hall will be double the amount usually issued.

Miscellaneous

Chewing gum is not allowed. Radios, DVD players, CD players, Ipods, MP3 players,, etc. are not allowed at school or on the school's vehicles. Non-sport trading cards are not allowed at school. These items will be confiscated and may be retrieved in the office only by a parent.

DRESS CODE

The guiding principles for student dress are modesty, neatness, and appropriateness. The Dress Code is based on the Biblical requirements of modesty and separation from worldliness and is in harmony with the practical standards of Sumter Bible Church. Faculty and students should dress so as to present a neat, conservative appearance and not to call attention to the body. The administration makes final decisions regarding immodesty, worldliness, or excessive faddishness. Students arrive and leave dressed in accordance with the Code, unless their last period is physical education. Students must dress according to the Code any time they are on campus during school hours, whether they are attending class or are present for other reasons. This standard applies to PTF meetings, Awards Chapel, Open House, Commencement, etc.

Preschool & Kindergarten

Girls: Girls in K3-K5 may wear skirts, dresses, slacks, jeans, or mid-thigh length shorts or skorts. Dresses and skirts, including any slits, should be to the top of the knee, whether the girl is in a sitting or standing position. Socks or hose are required, and make-up is not allowed. "Beach shoes," flip-flops, and sandals are not acceptable.

Boys: Boys may wear long pants, jeans, mid-thigh length shorts, polo shirts, or tee shirts. Socks are required. Hair must be cut off the ears, eyebrows, and collar. Faddish hairstyles are not accepted (Mohawks, shaved sections, large afros, cornrows, etc.). Earrings (or pierced ears) are not acceptable. "Beach shoes," flip-flops, and sandals are not acceptable.

Grades 1 - 2

Girls: Girls in grades 1-2 may wear slacks, jeans, knee-length dresses, or knee-length skirts. Shorts are permitted if the student meets the entire dress code for grades 3-12 as described below. Dresses and skirts, including any slits, should be to the top of the knee, whether the girl is in a sitting or standing position. Socks or hose are required, and make-up is not allowed. “Beach shoes,” flip-flops, and sandals are not acceptable.

Boys: Boys may wear long pants, jeans, polo shirts, or tee shirts. Shorts are permitted if the student meets the entire dress code for grades 3-12 as described below. Socks are required. Hair must be cut off the ears, eyebrows, and collar. Faddish hairstyles are not accepted (Mohawks, shaved sections, large afros, cornrows, etc.). Earrings (or pierced ears) are not acceptable. “Beach shoes,” flip-flops, and sandals are not acceptable.

Grades 3 - 12

Girls: Girls in grades 3-12 wear solid-color traditional polo shirts or solid color oxford, button-down collar shirts (any color). Traditional polo shirts are slip-over shirts with two or three buttons and a collar. Only the top button may be unbuttoned. Slacks must be navy, black, or khaki and have inset pockets (no cargo-style pants or patch-style pockets) and be made of “khaki material” (not corduroy, denim, stretch, etc.). Slacks or shorts must be the traditional fit (worn on the waist, not on the hips). Skirts must be to the bottom of the knee (whether the girl is in a sitting or standing position) and must be navy, black, or khaki. Knee-length shorts are allowed if they are purchased from a supplier approved by the school (so all shorts will be uniform in fit and length) and must be navy, black, or khaki. “Beach shoes” and “flip-flops” are not acceptable. Sandals are permissible, but generally, those with a strap between the toes or no strap across the heel will be considered flip-flops or beach shoes and not be allowed. All outerwear must be solid color with no writing and no hoods. SCS “spirit wear” sweatshirts (with or without hoods) and lettermen jackets are allowed. For girls in grades 3-6, socks or hose are required, and make-up is not allowed. Shirts and pants for high school girls should be loose fitting.

Boys: Boys in grades 3-12 wear solid-color traditional polo shirts or solid color oxford, button-down collar shirts (any color). Traditional polo shirts are slip-over shirts with two or three buttons and a collar. Shirts must be tucked in, and only the top button may be unbuttoned. Slacks must be navy, black, or khaki and have inset pockets (no cargo-style pants or patch-style pockets) and be made of “khaki material” (not corduroy, denim, stretch, etc.). Knee-length shorts are allowed if they are purchased from a supplier approved by the school (so all shorts will be uniform in fit and length) and must be navy, black, or khaki. Belts must be worn if the pants have loops. Baggy pants or shorts and other sloppy attire are not permitted. Hair must be cut off the ears, eyebrows, and collar. Faddish hairstyles are not accepted (Mohawks, shaved sections, large afros, cornrows, etc.). Earrings (or pierced ears) are not acceptable. “Beach shoes,” flip-flops, and sandals are not acceptable. Boys must be clean-shaven, and sideburns may not extend below the bottom of the earlobe. All outerwear must be solid color with no writing and no hoods. SCS “spirit wear” sweatshirts (with or without hoods) and lettermen jackets are allowed. Socks are required for boys in grades 3-6.

Miscellaneous

Hair color for all students must be natural. Unnatural colors are not permitted. Body piercing (except in the ears for girls) and visible tattoos (temporary or permanent) are not allowed. Rock emblems are not allowed on shirts, notebooks, lunch boxes, etc. Jogging suits or drawstring pants are not acceptable. Hats or caps are not to be worn in the buildings.

EARLY ARRIVAL AT SCHOOL

Students who arrive prior to 7:45 a.m. must report to the designated areas for early morning Day Care, and parents are billed the normal hourly fee for Day Care. The school opens at 6:30 for those who need this service. Please see the *Day Care* section of this handbook for a full explanation of before-school and after-school services.

FIELD TRIPS

Field trips are taken at various times during the year for students through sixth grade. Each class is limited to one field trip per year. The students are expected to maintain the same level of discipline during these events as they are in the classroom, but sometimes exceptions to the dress standards are necessary. Any such variations are clearly announced in advance along with the other information regarding the trip or event. Parents or other adults who go as chaperones are required to follow the same standards of dress and conduct as the teachers. Small fees are collected from each student for all field trips to help offset the costs of vehicles and drivers.

FINANCIAL POLICY

All tuition payments are due on the first of the month. After the tenth, payments are considered late and a late fee is assessed. Students whose accounts are thirty days in arrears may not attend class. All records and report cards are withheld until tuition costs, library fines, Day Care, lunch charges, and all other school fees are paid in full. A service fee is charged for returned checks, and personal checks are not accepted after two returned checks. Parents receive a 3% discount if they choose to pay the annual tuition before the first day of school. Matriculation and registration fees are nonrefundable and nontransferable. Students may not attend the first day of school unless the account is current. Students who enroll after the school year has begun pay a prorated amount for tuition, based on a 180-day year. All other costs and fees must be paid at the full amount. Any payment made after May 10 for past due charges must be paid by money order, cashier's check, cash, VISA, or MasterCard. Please refer to the annual financial sheet provided in the information packet for specific charges, discounts, penalties, refunds, detailed policies, etc.

GRADES

K3 and K4 grades consist of E (Excellent), S (Satisfactory), and U (Unsatisfactory). Students in K5 through sixth grade are graded by the traditional scale of A, B, C, D, F. High school students receive a numerical grade. The letter/number equivalents are listed below.

A+ 99–100	B+ 91–92	C+ 83–84	D+ 75–76	F 0–69
A 96–98	B 88–90	C 80–82	D 72–74	
A– 93–95	B– 85–87	C– 77–79	D– 70–71	

HOLIDAYS

There is a very wide range of convictions regarding if and how Christians should celebrate holidays such as Thanksgiving, Christmas, New Year's, Easter, Halloween, St. Patrick's Day, Valentine's Day, etc. SCS seeks to maintain a conservative stance in order to uphold our own convictions and to avoid offending others. If parental sensitivities are inadvertently violated in these areas, a simple call to the teacher will be sufficient to ensure provision of a suitable alternative activity. If invitations to birthday parties are distributed at the school, the entire class must be included.

HOMEWORK

Research indicates that meaningful homework enhances achievement. Parents should oversee this necessary element of academic training and offer encouragement and limited help. Since parents are not expected to teach the daily lessons at home, they should inform the teacher if their child seems unable to do the homework on his own. Since teachers often allot class time to begin and finish part of the homework assignment, parents should contact the teacher if the amount of time spent doing homework seems unreasonable. Students in kindergarten through twelfth grade have their assignments and grades posted securely online. Parents and students may get access to this information. Some teachers may still require agendas to help the students plan and organize their daily assignments, tests, reports, etc.

HONOR ROLL

Each nine-weeks grading period, students are recognized for special academic achievements. The Principal's List is for students who earn all "A's" in a given quarter. The Honor Roll is for students who earn an "A average" or "B average." The requirements are as follows:

"All A" Principal's List – an "A" in each subject

"A Average" Honor Roll – an "A" average with no "D's" or "F's"

"B Average" Honor Roll – a "B" average for all subjects with no "D's" or "F's"

Handwriting, music, band, art, chorus, physical education, teacher's aide, and other non-academic courses are not included in the average, but a failing grade may disqualify a student from receiving recognition.

LOCKERS

Students in grades seven through twelve are assigned lockers each year. It is the responsibility of the students to keep their lockers neat, clean, and orderly at all times. No pictures, stickers, etc. may be placed on the outside of the lockers. Appropriate, removable pictures, etc. may be placed inside. The administration determines what is appropriate. Drink containers, once they have been opened, are not allowed to be stored in the lockers, even if they have resealable lids. Lockers are the property of Sumter Christian School and may be inspected or searched with or without prior notice. We recommend that students put locks on the lockers for security and protection. Students who choose to put locks on the lockers are required to give a key or combination to the administration.

LOST AND FOUND

Lost or misplaced clothes, lunch boxes, etc. are placed in a designated area. Periodically we place all lost and found items in the main foyer for a week. Any items remaining after that week has ended are given to charitable organizations. Watches, glasses, and other valuables are kept in the office. Students are cautioned not to bring large amounts of money or valuables to school. The school cannot be responsible for items lost or stolen.

LUNCH PROGRAM

Hot sandwiches are available for purchase, as is a full line of machine-vended snacks and dairy items, including carton drinks and ice cream. Soft drinks are available to high school students only. A price list is distributed at Open House. Parents may send money for these items on a daily basis or pay in advance to the office and have each day's lunch deducted from the credited amount. We offer a charge system for those who forget their lunch or money but request that parents pay in advance. Lunches and snacks may not be charged during the month of May. Many students prefer to bring all or part of a lunch from home. Preschool and kindergarten children need to buy or bring a morning snack. All students eat lunch in their homeroom classes.

MEDICATION

Sumter Christian School dispenses prescription medication in the original packaging to students only with parental permission and written instructions for dosage. Only the office personnel may dispense medication, and records are kept in the office.

MUSIC

The Bible teaches that music is a vital part of the Spirit-filled Christian's life (Eph. 5:19). We, therefore, teach music theory and appreciation as part of the curriculum and encourage students to give careful attention to this important dimension of Christian service. Students are also taught to avoid songs which, by their words and/or music, promote worldly attitudes and behaviors.

PARENT-TEACHER CONFERENCES

Teachers are expected to arrange conferences with parents during the year. If necessary, parents may take the initiative and call the office to make an appointment with the teacher at school. Sumter Bible Church members who have children in the school are requested to handle conferences likewise. This safeguards the teacher's personal life and keeps church meetings from becoming occasions for conducting business.

PARENT-TEACHER FELLOWSHIP

The PTF meets at Open House and on the night grade reports are issued (normally November, January, and March). These meetings usually consist of a general session followed by classroom visits. Special programs such as the Spelling Bee, the Fine Arts Festival, and the induction ceremony for the American Christian Honor Society are designed for each PTF meeting.

PARKING LOTS

Parents are urged to enter and exit according to posted signs, since doing otherwise is extremely dangerous. If it is necessary for parents to enter the buildings, cars must be parked in marked spaces in order to keep moving traffic lanes open. The lanes in front of the playground area are not parking spaces and should be used only when the driver remains in the car. These safety regulations should be observed even if it is quite early or late in the day when there are few cars in the lots.

PROMOTION

Students in K5–3rd grade who earn an “F” in math or reading, or a “D” in both, as a final grade for the year, will not be promoted to the next grade.

Students in grades 4–8 who earn an “F” in math or English, two “F’s,” or one “F” and three “D’s” as final averages for the year in the basic academic subjects will not be promoted to the next grade. Successful completion of the appropriate course(s) in summer school could lead to promotion.

High school students (9–12) must pass each course as a separate unit of study. General diploma requirements include 4 units of English, 4 of social studies, 4 of math, 4 of science, 1 of physical education, 4 of Bible, 1 of keyboarding, 2 in foreign language, 1 in computer science, and 4 electives, for a total of 29 units. The Academic Diploma requires that the fourth credit of math and science be a college preparatory course. Students in grades 9–12 are placed in proper class levels according to the following scale of earned credits:

Freshman (ninth grade)	0.00 – 6.00 credits
Sophomore (tenth grade)	6.50 – 12.00 credits
Junior (eleventh grade)	12.50 – 18.00 credits
Senior (twelfth grade)	18.50 or more credits

SCHOLARSHIP

Sumter Christian School is committed to high standards of scholarship. The admissions procedure seeks to insure that all students who are allowed to enroll are capable of doing satisfactory work. The administration recognizes outstanding scholarship by posting an Honor Roll (all A's, A Average, and B Average) at the end of each quarter and by presenting Honor Roll certificates at the Awards Chapel at the end of the year. Students who maintain a 90 average during their freshman year are eligible for induction into the American Christian Honor Society. The two senior members with the highest averages are the Valedictorian and Salutatorian, respectively. Students must take the college preparatory classes in math and science their senior year to remain in the Honor Society. A separate constitution for this society is in the office and describes in detail the requirements for entering and remaining in the society.

SCHOOL BUILDINGS AND GROUNDS

The buildings are opened at 6:30 a.m. and are closed at 6:00 p.m. Monday through Friday during the school year. There is a regular Day Care charge for students (K3–6) arriving before 7:45 a.m. and/or remaining after 12:00 (K3–K4) or 3:00 (K5–12). Students are not to return to campus after having left for the day. Students who have not left by 3:25 will be sent to Day Care and billed accordingly, unless they are part of a school sponsored activity, such as field trips, athletics, etc.

SCHOOL HOURS

K3 & K4	8:05 – 12:00
K5 – 1 st grade	8:05 – 2:45
2 nd – 4 th grades	8:05 – 2:55
5 th – 6 th grades	8:05 – 3:05
7 th – 12 th grades	8:05 – 3:10

Parents are asked to pick up their children promptly at the time of their dismissal. Parents should plan to arrive at the time the oldest child is dismissed. This will help the traffic flow more smoothly and will prevent the parent from having to wait for an extended time.

SCHOOL OFFICE

The office opens at 7:30 a.m. and closes at 4:00 p.m. on school days. Special hours are announced for holidays and for the summer. The office staff handles payments, appointments for conferences, and many other matters during these hours. All visitors must check in at the office. Ladies are asked to avoid wearing immodest attire when entering the facilities of Sumter Bible Church.

SENIOR TRIP

The annual senior trip is regarded as a significant educational and spiritual experience. Educationally, the trip provides exposure to other places that reinforce material studied in class. Spiritually, the trip uses the exposure to large cities to show the students the emptiness of choosing a path of sin and gives the student opportunity to witness and grow spiritually through nightly devotions. Socially, the trip builds class unity and develops relationships and memories that will last a lifetime. All seniors must attend the senior trip in order to fulfill the requirements for graduation. The cost of the trip (approximately \$700 per student, depending on the size of the class) is the responsibility of each parent and student. Therefore, SCS offers projects to help the student fund the trip. The annual Fall Festival usually provides at least one-third of the cost. Seniors operate the concession stand for all athletic activities, and all proceeds go toward the senior trip. Seniors will be given other opportunities to earn the money for the trip (on an individual basis). Students who earn over the minimum amount necessary for their class trip are allowed to keep that money. If, for reason of emergency due to death or critical illness or injury, a student cannot attend the senior trip, group earnings will be divided evenly among the remaining students. Individual earnings will be forfeited.

SICKNESS AND INJURY

Parents should not send sick children to school since diseases spread very rapidly in classrooms. The school maintains an emergency file for each student and will call, in order, the persons listed there in case of illness or injury. Members of the staff use good, conservative judgment so that parents may be assured they need to take action when a call is received.

STUDENT DRIVERS

Duly licensed student drivers may park their cars in spaces reserved for them. Reckless driving is not tolerated and results in loss of privilege to park on campus. Students are not to return to their cars during the day without explicit permission from the office. Loitering in the parking lot is prohibited before and after school, as well as during school hours.

STUDY TIPS

Good grades in school do not come to most students without hard work. In order for a student to excel in his studies, he must apply himself. The following list is a guideline that parents can use to help their children maximize their potential:

1. Take your notebook, pen, pencil, and other necessary materials to class daily.
2. Actively participate in the classroom by listening well and by taking part in discussions.
3. Ask questions when a lesson or instruction is not understood or if you have a problem.
4. Plan your work, and schedule time for homework each day.
5. Strive to do your best, not just get by.
6. Do not allow what others are doing (or are not doing) to affect you negatively.

SUMMER SCHOOL

This program purposes to provide a multi-faceted offering of summertime educational opportunities for various student needs. The summer program is available to the following students:

1. Students who did not successfully complete a subject or a grade (grades 4–12 only)
2. Students who passed but need enrichment
3. New students who need a course to remedy a deficiency
4. High school students who face irreconcilable schedule conflicts
5. Students who wish to take an elective course

(Required courses may not be taken in advance during summer school.)

Classes are held from 8:15 until 12:30 daily, Monday through Friday, for six consecutive weeks, beginning the second Monday after school dismisses. Students may work hard in school and at home and finish the course in less than six weeks, but courses may not be finished late. Only one absence is allowed during a student's enrollment in summer school. Regular breaks are provided hourly. There is no change in dress code for summer school.

An individualized instructional program is purchased for each student. Most courses on any grade level (4–12) are available. Each course is divided into either 10 or 12 units of study, with a test required at the end of each unit. Teachers familiar with the course are available to help students work through the books. At least ten students must enroll before the summer school program can be offered.

The fee will be announced annually in the May monthly letter and must be paid by 4:00 p.m. on the last day of school. Materials are ordered that afternoon, making late registration impossible.

SUSPENSION AND EXPULSION

Suspension is used to penalize four tardies in a quarter, to discipline an elementary student for severe conduct problems, and to indicate the danger of expulsion to secondary students who accumulate 50 or 100 demerits. The ultimate disciplinary action is expulsion. It is used to remove students whose refusal to behave in an acceptable manner may be a detrimental influence on other children. Expelled students are not readmitted to Sumter Christian School without approval of the School Committee. Parents may appeal in writing to the School Committee.

TELEPHONES

The school phones are for school and church business and may not be used by students. Office staff will call in case of emergencies. Students are not allowed to be called out of class to come to the phone, but office staff will relay messages when necessary.

Students must obtain authorization from the faculty or staff prior to using cell phones or beepers during school hours, and they may only be used in the office. Students who abuse this policy receive demerits or have the device confiscated (or both). If the device is confiscated, it will remain in the office until a parent comes to get it.

TESTING

Sumter Christian School utilizes the Stanford Achievement Test and the Otis Lennon School Ability Test to measure students' abilities and progress. The administration and faculty use results of the tests to help work more effectively with each student and to make continual improvements to the curriculum. Sophomores are required to take the PLAN, and juniors are required to take the PSAT. Both tests are usually given in October during school hours. All students must take either the SAT or the ACT to fulfill requirements for graduation. The high school principal notifies the students in advance concerning the times, places, and costs of these examinations.

VISITORS

Parents may make an appointment to visit the school and specific classrooms after the first quarter. They should come to the office and be escorted to the room so that they may be properly introduced to the teacher and the class. Visitors must dress according to the student dress code. Parents are urged to be out of the buildings when the 8:05 bell rings so that teachers may begin their classes promptly. We prefer that students do not bring visitors unless they are prospective students. Students may not have visitors at lunch on days that the public schools are not in session. For proper identification, visitors should wear a name tag received from the office.

WEATHER CLOSINGS

Schedule alterations occasioned by bad weather are usually made in conformity to the decisions of District 17. They are announced on radio stations WIBZ (81.9), WMHK (89.7), TV 10, www.wistv.com, and our website (www.sumterchristian.org). Normally, recorded information will be available on the answering machine at school. If the machine does not answer, continue calling since the machine can only answer one call at a time. No “busy signal” will be given since calls are rolled over to another line if the main line is in use. Only the school’s main line (773–1902) will activate the answering machine.

WITHDRAWAL

Parents must come to the office to complete a withdrawal form and pay a withdrawal fee (equivalent to the matriculation fee) in order to transfer a student from school. Approval is contingent upon paying any outstanding fees and returning all items which are school property. Transcripts are not released until the withdrawal procedure is completed and approved by the principal. Tuition is prorated on a 180-day schedule for students who withdraw after the first day of school. Matriculation and registration fees are nonrefundable and nontransferable.

SUMMARY STATEMENT

This Parent-Student Guide does not intend to be exhaustive. It does propose to convey a clear impression of the kind of school Sumter Christian School desires to be. The administration is more than willing to clarify any uncertainties parents or students may have regarding school policies and regulations. If parents, teachers, and pastors have set the same goals the Scriptures embody, God will richly bless all concerned as we work in harmony to "present every man perfect in Christ Jesus" (Colossians 1:28).

2. Annual Calendar
3. Lunch Price List
4. Supply List
5. SCS Athletics
6. Choosing a School That Is Right for Your Child
7. Financial Information Sheet

DOCTRINAL POSITION

SCS is honored to have students from many area churches in the student body. Although Sumter Bible Church with its many ministries is not denominationally affiliated, we do embrace a baptistic position, fully delineated in the church's Constitution. Parents may be assured that other Biblically defensible positions are not presented in a poor light, nor is there any desire to use the classroom to proselytize students for Sumter Bible Church. The majority of time spent in Bible instruction is devoted to emphasizing Christ-like character, prayer, Bible study, witnessing, giving, and fellowship, based on chapter-by-chapter exposition, doctrinal, and biographical instruction.

Parents who accept the teachings of the Roman Catholic Church, the Church of Jesus Christ of Latter Day Saints, the Jehovah's Witnesses, Christian Science, the Seventh Day Adventists, or certain oriental religions, seldom choose to enroll their children in Sumter Christian School. The school's emphasis on the cardinal doctrines of Scripture would produce severe conflicts in the child's mind regarding the absolute nature of truth and would create a potential source of friction between parents and school staff.

NON-DISCRIMINATORY STATEMENT

Sumter Christian School admits students of any race, color, national or ethnic origin, to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, national or ethnic origin, in the administration of its educational policies and programs.

APPENDIX

Students who post inappropriate information or pictures on the worldwide web (websites, blogs, etc.) or send inappropriate emails will be subject to disciplinary action, as determined by the administration and/or school board. This includes, but is not limited to, any electronic information that may damage the reputation of Sumter Christian School, any of its faculty or staff, or the student and his family.
