NOTE:

Returning students do not need to complete a new application, but this form notifies us of your plan to return and saves a space for your child. Classes are filled on a first-come basis. The registration fee is due in June (by the 10th), and there is no increase in registration (\$170 for preschool, \$230 for K-8, and \$275 for grades 9-12).

The monthly tuition payments begin in July (\$293 for preschool, \$344 for K5, and \$394 for grades 1-12). The newly revised financial information sheet is on our website. There is a 5% discount for two children from the same family, 17% for three children, and 30% for four or more children. Call the office if you need help calculating the amounts for multi-child families.
